

BXS Insurance Named to National "Best Places to Work in Insurance" List for the Second Consecutive Year

BATON ROUGE, La., Sept. 8, 2020 /PRNewswire/ -- BXS Insurance, Inc., a subsidiary of BancorpSouth Bank (NYSE: BXS), has been named one of the "Best Places to Work in Insurance" by Business Insurance magazine for the second consecutive year. This national award recognizes employers' efforts to establish a workplace where employees can enjoy their day-to-day work, reach their career potential and contribute to their organization's success.

"Our employees have displayed tremendous adaptability and resilience this year," said Markham McKnight, president and CEO of BXS Insurance. "We have leaders at every position who have ensured our viability and that we are making strides together. This honor from Business Insurance validates our efforts of continuing to make BXS Insurance a welcoming, inclusive and fulfilling work environment."

Best Places to Work in Insurance is an annual feature presented by Business Insurance and Best Companies Group that lists the agents, brokers, insurance companies and other providers with the highest levels of employee engagement and satisfaction. Best Companies Group identifies the leading employers in the insurance industry by conducting a free two-part assessment of each company. The first part is a questionnaire completed by the employer about company policies, practices and demographics. The second part is a confidential employee survey on engagement and satisfaction.

The program divides employers into the categories of small, 25-249 employees; medium, 250-999 employees; and large, 1,000 or more employees. This year's report features 75 companies of various sizes, from 25 employees to more than 4,000. The ranking and profiles of the winning companies will be released in the November issue of Business Insurance and at businessinsurance.com.
